

Qualified Person (m/f/d) - ID FM200120

The Company

Our customer is the owner-managed family company that has continuously developed and established itself in many markets. Around 30,000 business partners from the pharmaceutical, automotive, chemical, electronics, plastics, food, and food sectors have been able to rely on them for more than five decades.

Currently, we are looking for a 'Qualified Person (m/f/d)', in Lower Saxony, Germany.

Responsibilities

- Approval as a Pharmacist with several years of experience in pharmaceutical quality control and professional work experience.
- Qualification as a qualified person according to AMG.
- Profound experience with GMP / GDP guidelines.
- Good organizational and communication skills.
- Ability to work in a team, high level of self-motivation and analytical thinking.
- Very good knowledge of German and English skills.
- Good knowledge of CAPA Management.

Requirements

- Responsible person / QP in accordance with AMG.
- Review and approval of GMP / GDP relevant regulations, documents, and contracts.

- Maintenance and further development of the quality management system according to EU or GMP guidelines.
- CAPA management.
- Conducting regular quality reviews and providing QA data.
- Execution and support of internal and external audits and certifications.
- Project Management experience

What we offer

- Excellent company culture which stands for an ambitious but caring working environment.
- Great opportunities to develop your career with a global player and international innovation driver.
- Challenging tasks in innovative and future-oriented fields.
